ABOUT US

Multiple Sclerosis Society of Brod -Posavina County was founded in order to promote the protection of human and other rights of people affected by multiple sclerosis. The role of Society is to encourage, develop, and enforce public policies and create conditions for independent life and equal opportunities for its members by offering social services, help, and support as well as a range of preventive actions in order to preserve their health and improve research, treatment, rehabilitation and protection.

The aforementioned activities are also aimed at other marginalized groups, especially all persons with disabilities, unemployed and hard- to-employ people, and young people.

Our non-profit Radio 92FM was founded by the society in order to better inform the public about the problems, interests, and rights of people affected by Multiple sclerosis and other marginalized group. Radio 92 FM was founded as an integral part of the Society in 2014. and has been continuously operating since then participating in numerous domestic and international projects.
